We are called to love God with all of our hearts, souls, and minds, and to love our neighbors as ourselves. As we get closer to being able to get back together, remember that this is our best chance to try new things, to do the things we do in new and exciting ways, and to remember that we are called to serve not just ourselves, but also our neighbors and our world. What are some things we can do to extend our reach beyond those who worship with us? Bring those thoughts and ideas with you to our online coffee hours, email them to us, and make them a reality in your walk with Jesus and with Oldtown.

*“Let us hold fast the confession of our hope without wavering... And let us consider how to stir up one another to love and good works.”*

~ **Hebrews 10:23-24 (ESV)**
