Last Sunday, the deacons gathered at the church to clean out the deacons' closet and the fellowship serving area in Maxcy Hall. The deacons also adopted the narthex—the entry vestibule at the front of the church building—to clean it up and give it a refresh. Our flower ministry and building and grounds team have been sprucing things up at the church as well. The music ministry has begun planning some new music opportunities and scheduling maintenance of our piano and organ to get things ready for our return. Let us know what you'd like to do to help, or what your ministry is already doing, so we can celebrate all working together for our reopening.

“Moses then called Bezalel and Oholiab and every skillful one to whom the Lord had given skill, everyone whose heart was stirred to come to do the work;”
